Team ID	NM2023TMID17493
Project Name	CovidVision: Advanced COVID-19 Detection from Lung X-rays with Machine Learning or Deep Learnings
Maximum Marks	2 Marks

Customer Problem Statement Template:

I am a customer trying to adapt and navigate the challenges posed by the COVID-19 pandemic, but I am facing numerous obstacles and concerns that hinder my ability to do so effectively. These obstacles include health and safety concerns, disrupted routines and lifestyles, limited access to goods and services, and the need for reliable information and support. As a result, I feel overwhelmed, anxious, and uncertain about how to protect myself and my loved ones while maintaining a sense of normalcy and well-being.

I am	a patient
I'm Trying to	adapt and navigate the challenges posed by the COVID-19 pandemic
but	I am facing numerous obstacles and concerns that hinder my ability to do so effectively
because	of health and safety concerns, disrupted routines and lifestyles, limited access to goods and services, and the need for reliable information and support.
which makes me feel	overwhelmed, anxious, and uncertain about how to protect myself and my loved ones while maintaining a sense of normalcy and well-being.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a patient	adapt and navigate the challenges posed by the COVID-19 pandemic	I am facing numerous obstacles and concerns that hinder my ability to do so effectively	of health and safety concerns, disrupted routines and lifestyles, limited access to goods and services, and the need for reliable information and support.	overwhelmed, anxious, and uncertain about how to protect myself and my loved ones while maintaining a sense of normalcy and well-being.
